When it comes to our restaurants, the selection includes acclaimed Lapland à La Carte restaurants, intimate log cabin restaurants, restaurants serving tasty family food as well as high quality catering services. We make use of local Lapp suppliers and local ingredients.

We also organize a vibrant programme of events – for example outdoor activities ranging from independent excursions through to guided safaris, a variety of pampering and well-being treatments, indoor exercise facilities as well as, of course, evening entertainment programmes.

You can also avail yourself of the services of Lapland Safaris and Europcar – available to you all under the same roof.
